

# Earn 1X MRR Selling Thrive's vCISO Services

Offer Expires: June 30, 2023

## Promotion Details:

Sell Thrive's vCISO Services and receive **1X MRR**. Promo is for vCISO Services only on new 36 month customer contracts. This promo is only being offered to our partners only for new logos and new services.

### vCISO Services

Thrive vCISO experts design, develop, and maintain a customized Information Security Program that complements your business strategy and risk tolerance. This service offering leverages ISACA's Certified Information Security Manager (CISM) Knowledge Domains (and associated Tasks) and the Center for Internet Security (CIS) framework, as a basis for the types of activities to be performed by the Thrive vCISO.

- ◆ Industry-leading information security program management
- ◆ Thrive's vCISO serves as trusted security advisor
- ◆ Information security governance and compliance oversight
- ◆ Information security program reviews
- ◆ Review of existing policies, controls, and security toolsets
- ◆ IT Management remediation plans
- ◆ Prioritized improvements for IT Management
- ◆ Incident response preparedness and annual incident response table-top exercise
- ◆ Center for Internet Security (CIS) framework implementation

**1X  
MRR  
Partners Only**

Total paid up front in the month of the first commission payment

**TERMS:** Contracts need to be signed before June 30, 2023. This promotion cannot be sold in conjunction with any other Thrive promotion. Payment will be frontloaded and issued in full at the date of the first commission payment on the deal.
